Program for Next Week - On January 14 our guest will be Chuck Webb with a film on the city of Cedar Rapids.

Program for January 7 - Our speaker was Norm Nielsen, Vice President at Kirkwood Community College, substituting for an ailing President Stewart. He provided some very interesting statistics on Kirkwood including the fact that the school has grown from 199 students in 1966 to 5011 students this year. On a part-time basis the school has enrolled 40,000 people from a seven county area in some kind of continuing education program on an annual basis. Kirkwood's budget for 80-81 is \$14,000,000. It's video tape library is one of the best in the country. Norm expressed appreciation to Downtown Kiwanis for its involvement in the Circle K Club at Kirkwood.

Guests: Ed Olsen and Les Sykora from Metro Kiwanis.

Happy Birthday to Al Gee - January 8 and Ray Vaughn - (a little late).

Anniversaries - Rick Chandler - January 6, 1971, Bob Gale - December 29, 1954.

Congratulations to Wayne Woods who may have set some kind of distance record for a make-up. Wayne visited the Portland, Oregon Kiwanis over the holidays.

Bowling Report - The Kiwanis team only won one point but are still very near the top if not in first place.

Special Board Meeting - January 14 at 4:30 at President Steveley's office, 860 17th Street S.E., to discuss projects for the Farmer's Breakfast proceeds.

Circle K Charter Party January 6 - Downtown Kiwanis members who attended the party included Don Aanestad, Rex Schrader, Wayne Woods, and John Little. We came away very impressed by the quality of the Circle K members and the program and projects that they are already involved in, and have planned for the future. Don "Honest Ed" gave an excellent presentation as did Kim Knox, Governor of the N-I District of Circle K and Melody Graham, Lt. Governor. Nineteen members were installed. We learned that there are 800 Circle K Club chapters in 18 countries, making it the largest collegiate club organization in the world. Downtown Kiwanians can be very proud of the Kirkwood Circle K Club, it's president Marti Willman and her club. Special recognition also goes to Wayne Woods as our club representative and to Faculty Advisor Angie Turner.

Appropriate for the Season: (Preacher about to take the offering): And now let us all give in accordance with what we reported on Form 1040.

Button given by Wayne Woods to Marti Willman: "Circle K is not a dude ranch".

Program for Next Week: Frank Nye, well known political journalist and Jerry Elsea, President of the Library Board of Trustees will discuss the subject of a proposed new library.

Program for January 14: Our guests were Chuck Webb and Bill Calloway of Corporate Transfer Associates. They showed a film entitled Cedar Rapids: An American Lifestyle. Most Kiwanians seem to agree with their contention that "the film displays Cedar Rapids in an appealing and honest manner that will prove to be inviting." The film is available to corporations and organizations at no charge by calling Chuck or Bill at 366-6427.

Happy Anniversary to: Frank Race - January 12, 1949.

Our guests on Wednesday included: Wally Loft, Immediate Past Governor of the Nebraska-Iowa District and Jim LaRue, Past Lieutenant Governor and Jim's guest, Earl Taylor. Tom Herzog introduced Larry Sharp and Roy Watkins who spoke briefly concerning Discovery Village and the Work-Study program of Metro schools.

Our Bowlers are slowly sinking. Just one point again this week. They are still near the top however if they can just have a comeback. Maybe they'll take a hint from next week's "super bowl!"

President Steveley presented the Circle K banner to Club Representative Wayne Woods. Wally Loft presented the Past President's award to Wally Brown. President Steveley also read a thank you note from the Kirkwood Board of Directors as received by the Circle K Club expression of appreciation for Circle K's fine distribution of food baskets during the Christmas holidays.

Correction: The special Board meeting will be held Wednesday, January 21 at 4:30 at McConnell, Steveley and Anderson to discuss projects for Farmer Breakfast proceeds.

On January 28 our guest will be Dr. John Murray, retired history professor from Coe College.

Program Chairmen for the months ahead include the following: February, Bill Jameson; March, Bill Steadman; April, Rich Siewert; May, Aaron Randolph; June, Ed Capesius; and August, Pytr Knoll. If you have a program in mind, contact one of the above. If you would like to volunteer for July, call Mike Stoffregen.

Program for January 28 - Our guest will be Dr. John Murray, retired history professor at Coe College. Dr. Murray will soon be honored by the Belgium government for his achievements.

Program for January 21 - Frank Nye and Jerry Elsea presented a program outlining the reasons they felt a new library should be built. Crowded conditions, inaccessibility to handicapped and elderly persons, the general condition of the present building and a \$2 million challenge gift from the Hall Foundation were pointed out as some of those reasons. Mr. Elsea also stated that the present building defies remodeling as a library but would be adequate for, and is desired by the Community Theater group. Bob Armstrong asked for and received time to present an opposing view, indicating that this was being done because this meeting would provide the last opportunity to do so before the library vote is taken on Tuesday, January 27. Mary Heabel spoke against the new library indicating her concern for the preservation of the present building as an historical landmark as well as the need to save tax money. Mr. Armstrong indicated that the present building could be remodeled and expanded. He pointed out that it could be made accessible to adequate parking through the skyway system.

Our sympathy is extended to the family of long-time Kiwanian Fred J. Kluss who died on Saturday evening, January 17. Funeral services were held at 1:00 p.m. on Wednesday.

Guests - Darold Smith was the guest of Bill Jameson; Russ Greene was the guest of Rick Siewert; Pete Langmack was the guest of Jim Oetken; Bob Armstrong's guests were his wife Ester and daughter Mimi Meffert; Jim Downing's guest was Harold Ward and Mary Heabel was the guest of her husband, Tom.

Happy Birthday on January 21 to vacationing Bill Steadman.

Congratulations to Duane Kurrelmeyer for a 214 game and a 581 series and to the K-bowlers who took 3 out of 4 points last week and maintain a healthy second place in the league.

"A greater poverty than that caused by lack of money is the poverty of awareness. Men and women go about the world unaware of the beauty, the goodness in it. Their souls are poor. It is better to have a poor pocket-book than to suffer from a poor soul."

Program for February 4 - Our speaker will be Kiwanian Bob Horick. Bob just returned from a two week visit to the Soviet Union and will be sharing his experiences.

January 28 Program - Our guest, introduced by Claude Jones, was Dr. John Murray, retired history professor from Coe College who will be knighted by the Belgium government for his outstanding work relating to the history of that country. Dr. Murray delighted and informed us with a variety of facts about his own colorful background, the history of Belgian women and others, facts about the Belgian horse and the Flemish and Walloon factions in Belgium. Dr. Murray also informed us that he had heard all the jokes about knights and shared his favorite with us. Dr. Murray has received many honors and those who heard him would surely agree that they are well-deserved.

Happy Birthday to Dick McConnell - January 30.

Happy Anniversary to Pytr Knoll - January 29, 1978.

February Board Meeting Tuesday, February 4 at the Roosevelt. Remember: Board meetings are open to all members and serve as make ups for absences.

Thanks from Mrs. Esther Armstrong to Kiwanians who mailed their Kiwanis "Gothic" Magazine covers. She would appreciate any others that are available.

Inflation Strikes Again! The Roosevelt Hotel recently announced that the Wednesday noon meal will be raised from \$3.25 to \$3.75 effective February 1.

Wanted to ask Dr. Murray when he finished Wednesday if his presentation could be considered a "one-knight stand"...

No report from the bowling team. Guess they were all out practicing.

Good advice for parents of teens learning to drive: Don't stand in their way!

February 4, 1981

PROGRAM NEXT WEEK: Physics Professor Steve Feller of Coe College will speak on the subject of "Money of the Holocaust."

THIS WEEK'S PROGRAM: Bob Horak, our fellow Kiwanian, an ex Professor at Purdue and Director of the Forum of U. S. Soviet Dialogue. Slides and comments on his trip this past December gave us some real insights into life in present-day Russia and Estonia. The conference was held in Estonia and dealt with the issues that confront the United States and Russia.

His impressions of Moscow now compared to 16 years ago: 1. Many more cars, 2. people were better dressed, 3. products in the stores seemed more expensive, 4. a lot of construction going on. About 20% of the people still live in communal apartments. The norm is 8 square meters of living space per person.

GUESTS: John Thomas, guest of Rich Altofer. Craig Havron.

CIRCLE K REPORT: 30 active members. Several fund raising projects are planned.

BIRTHDAYS: John Palmer, Bill Pohorsky, and Ed Sandler.

WELFARE REPORT: Everyone is in good health.

BOWLING REPORT: Lost all 8 points; however, still in 2nd place.

BOARD MEETING BUSINESS: The Salvation Army reported that \$313.32 was collected during the time the Kiwanians rang the bell at Christmas during their kettle fund drive. Thanks to everyone who participated.

Meal costs have gone to \$3.75.

A NOTE OF THANKS: "Dear Kiwanis Members, Thank you so much for all of your support with our turkey raffle--food drive project. It was greatly appreciated. Also, an extra special thanks to Frank Adkins for all of his support and help in delivering the baskets. Circle K is very privileged to have such an outstanding Kiwanis Club backing us. Again, all of your support was deeply appreciated. Sincerely, Circle K members, Marty Willman, President."

WEEKLY
NEWS
BULLETIN

February 11, 1981
Editor: John Little

Program for February 18 will feature Sheriff Buzz Sawyer who will speak on the subject of a proposed new jail facility.

Program for February 11 - Bob Horick introduced Steve Fuller, professor of physics at Coe College whose hobby is numismatology or coin collecting. Steve, who taught at Providence, Rhode Island before coming to Coe, has a special interest in coin collecting; more exactly the coins and paper money issued for use in Nazi concentration camps during World War II, since many members of his family were lost in those camps.

Steve showed a number of slides of coins and paper money used in the camps. Some coins were hand carved, others pressed out of material from wrecked planes. He pointed out that although the money was rare, it's value was controlled by the law of supply and demand and so at this point at least was not considered particularly valuable in a monetary sense.

Guests included Clarence Burton, guest of Rich Siewert and Jim Rasley, an old friend of us all and guest of Bob Gable.

Happy Birthday to Vern Haaland, February 9.

Happy Anniversary to Ed Sandler, February 8, 1978.

The Bowling team is sailing right along taking 6 out of 8 points and (hopefully) still hanging on to second place.

Future Programs - February 25 our guest will be Assistant Chief Bud Byrne of the Cedar Rapids Police Department, who will discuss polygraph examinations, and, if possible, display polygraph equipment.

If you have ideas for future programs, contact the following monthly chairmen: March (B. Steadman - filled); April, R. Siewert; May, A. Randolph; June, E. Capesius; July, open; August, P. Knoll.

Don't forget the Farmer's Breakfast scheduled for Saturday, March 28. This is an all-club activity from beginning to end and its success depends on all of us. Wayne Mead will be passing out tickets next week so plan to be there and get yours.

WEEKLY
NEWS
BULLETIN

February 18, 1981
Editor: John Little

Program for February 25 - Next week's program promises to be very interesting with our guest being Assistant Chief Bud Byrne of the Cedar Rapids Police Department. He will discuss polygraph examinations, and, if possible, display polygraph equipment.

No visitors, anniversaries or birthdays (unless you count Wally Brown's un-birthday) on Wednesday. However, Ed Colton provided a change of pace as he led the group in two verses of America (sans Fran). Also the welcome mat was spread for Bill Steadman and Bob Rush back from sunny Florida and Rudy Silvers who blew in from two weeks in the Windy City.

Pancake Day Saturday, March 28 received a lot of attention. Super Salesman Mead reminded us that we had a good deal going and that we should build on our reputation but not rest on our laurels. Each Kiwanian was given 25 tickets which he is expected to sell, with more available. Team captains are Jeff Albertson, Don Bales, Wayne Woods and Aaron Randolph. Prizes for ticket sales will be awarded. Proceeds will be used to help Youth for Christ purchase another van and to help Metro Schools establish a Revolving Loan Fund.

Program for February 18 - Bill Jameson introduced Sheriff Buz Sawyer who got right into the subject of a new jail. The need for a new facility or some alternate plan is obvious. Under new state regulations which will go into effect shortly, the Linn County Jail, which now has a capacity of 79, under ideal conditions, will be limited to 44. Sheriff Sawyer isn't sure how it can be handled. Even if a new jail were approved it would take 2-3 years to build. Partial solutions include: fewer arrests and sending some prisoners to hospitals and half-way houses. He stated that a Tri-county facility was not feasible and that politics has not allowed for a city-county jail in the past.

Programs for March include: 4 - Horace Webb of Iowa Electric; 11 - Ed Nissen of Corn Sweeteners (ADM); 18 - Henry Witwer, Gideon Bible Society; and 25 - Bernie Wright, Kirkwood Drunk Driving Class.

Editor: John Little

Next Week March 4 - Our guest speaker will be Horace Webb from Iowa Electric.

Circle K Notes - Circle K is planning a Rummage Sale March 16-17. If you have any saleable items Circle K would appreciate your bringing them to the Campus Health room at Kirkwood's Iowa Hall by Saturday, March 7.

Happy Birthday to Mike Kennedy - February 22
Rudy Silvers - February 22

Happy Anniversary to Claude Jones - February 22, 1978.

Best Wishes to former Kiwanian Vern Perry who is in the hospital.

Congratulations to Wayne Woods who was presented with a special certificate by President Steveley for his outstanding efforts in helping to organize the new Circle K Club at Kirkwood.

Guests: Wayne Woods' guest was Tammy Waknitz (as introduced by Ed Colton). Joe Kaider was the guest of Frank Adkins.

Welcome back from Florida to Tom Heabel (Howard VanderSchaaf would like credit for a trip to Dubuque and rumor also has it that Jim Downing has been to Huxley recently.)

Pancake Ticket Chairman Wayne Mead reminded all Kiwanians that their team captains have extra tickets and that they should turn their ticket sale money in to their captains for proper recording of ticket sales. Next week there will be a graphic report of how ticket sales are progressing.

Our bowling team is slipping slightly. They would have finished in second place but the season lasted too long.

Program for February 25 - Assistant Police Chief Bud Byrne was our guest. Chief Byrne qualified as a Polygraph Examiner in 1969 after completing a course of instruction at Texas A & M. He shared some history concerning lie detection that went back to the ancient Greeks and included such primitive methods as picking up hot iron, and holding one's hand in boiling water. Increase in pulse rates was discovered quite early to reflect the telling of a lie. The present polygraph equipment monitors pulse, blood pressure and breathing to determine whether a person is telling the truth or not. The test, which is voluntary, works on the majority of people but there are some individuals that are not good subjects.

John Little - Editor

Program for March 11 - Our guest speaker will be Henry Witwer representing the Gideons. Chairman for March is Bill Steadman.

Congratulations to Bob Gable who just took honors for going the farthest distance for a Kiwanis make-up. Bob recently attended a Kiwanis meeting aboard the U.S.S. Americana somewhere in the Caribbean.

Happy Birthday to Ernie Kosek. Good to see Ernie back for a meeting. He was a little early for his birthday which is March 13.

Happy Anniversary to C.R. Fahrney who has been with Kiwanis since March 5, 1940. Nice going C.R.

They say if you can't say something good about somebody, it's better to say nothing at all, which leads us up to our bowling report

Farmer's Breakfast Report - Wayne Mead gave a three point "sermon" on Faith, Power and Wealth urging all Kiwanians to sell their 25 tickets and get back for more (some already have). Aaron Randolph's team has sold 201, Jeff Albertson's group is in 2nd with 157. Wayne Woods and Don Bales teams are tied with 50. Wayne asked all Team Captains to call their members on Tuesday of each week and report the results to him for the Wednesday report. (Note: Members of Don Bale's team can turn their money in to John Little when Don is not available.)

Program for March 4 - Bill Steadman introduced Horace Webb, Vice President for Corporate Affairs at Iowa Electric. Mr. Webb was in Washington D.C. prior to Cedar Rapids, serving in a similar position there and also working for the U.S. government in a variety of positions. He indicated that one of his unstated jobs at I.E. was to "make people enjoy paying their electric bills" but feels that, so far, he hasn't done too well. He pointed out that electric companies tend to be "good guys" in the eyes of the public when the price of electricity is low, and "bad guys" when the prices raise. Mr. Webb sees solar energy as being commonly used by the year 2000 but feels that coal and nuclear power will also have to be used eventually as well.

Kiwanis Eye Care Program - Downtown Kiwanis is involved in an on-going program of eye care for needy youngsters in our community. The month of February was a typical month and saw three young people given assistance with funds totalling \$150. The program is coordinated by Dr. Jim Downing.

Editor: John Little
March 11, 1981

Program for March 18 Ed Nissen of ADM Corn Sweetners, who was originally scheduled for last week, will be our speaker.

Welfare Report Al Bickel is in St Luke's Hospital for tests.

Happy Birthday to Wally Brown, March 12 and to Vic Bock March 14.

Happy Anniversary to Clyde Sanborn, March 13, 1932, and to Don Aanstad, March 14, 1974.

Guests on the 11th included District Lieutenant Governor Walter Rech, Leonard Santon for Metro Kiwanis, John Mescher, guest of Rudy Silvers, Mark Good, guest of Jim Oetken (Mark is a member of Kirkwood Circle K), and Ray Eckert of the Marion club.

Bowling Report " " " " " 3-4-81

Farmer's Breakfast Pep Rally Wayne Mead donned his coaches hat for this one and gave us the old Knute Rockne dressing room pitch. He reminded us that we had two more "games" before the big one on March 28. He urged us to get in there and do our best for "the big K"! Translated into layman's language: "Guys, we've only sold 895 tickets and our goal is 2500, so get in there and sell, sell, sell!"

Bob DeMeulenaere invited Kiwanis members to sign a sheet volunteering to serve as hosts for a Circle K member on occasion throughout the year. It would be the host's responsibility to pay for his guest's meal and introduce him/her to the club. See Bob is you would like to sign and don't get the chance.

Program for March 11: Bill Steadman introduced Henry Witwer who is a member of the Gideons, a group of laymen who distribute Bibles without charge to schools, hospitals, motels, prisons etc. All monies donated to the Gideons are used for the purchase of Bibles. Henry reported that even Bibles that are stolen often result in reaching people effectively for God.

Planting a Garden: Don't forget squash: Squash gossip, criticism and indifference. Also turnips: Turn up for meetings, turn up with a smile, turn up with a guest, turn up with new ideas, and turn up with determination to make everything count for something good and worthwhile.

BULLETIN

March 18, 1981

Editor: John Little

Program for Next Week, March 25 - Our guest speaker will be Bernie Wright from Nesper Signs. His subject relates to a Drunk Drivers class he teaches at Kirkwood.

Coming Up Fast - The Kiwanis Farmer's breakfast is just about one week away, so...Wayne Mead reminded us via Olsen, Nixon, Kennedy, Carter et al that we have a big job to do. All Kiwanians are expected to sell their 25 tickets and more and with just one more reporting day left, we'll have to move. Aaron Randolph's team has sold 450. Teams for Albertson, Woods, and Bales are all somewhere between 250 and 300. Team captains should call their members before next Wednesday's meeting so we can have a full report at the next meeting. Remember the kids at Youth for Christ and Metro H.S. are depending on us!

Happy Anniversary to:

Jim Manville	- March 15, 1950
Burt Hynden	- March 16, 1955
Al Gee	- March 17, 1965
Bill Jameson	- March 17, 1965
John Little	- March 15, 1974

Happy Birthday to Bob Dye on March 15.

Bowling Report - The team is back in the groove taking 3 out of 4 points.

Program for March 18 - Bill Steadman introduced Ed Nissen of ADM Corn Sweeteners. ADM is the world's largest producer of power alcohol and related corn by-products. They are also one of the largest soy bean and wheat processors. Mr. Nissen pointed out that ADM produces a textured vegetable protein product in the form of a "steak." According to food experts this source of protein is remarkable in taste and texture as a meat substitute. Mr. Nissen indicated also that the U.S. will, in the future, have the capacity to produce enough gasahol to replace 1/2 of the oil we are now getting from the Persian Gulf and that's good news for us all.

Special Guest - Julie Erfert from Kirkwood Circle K reported that their club made \$107 on nickel and dime items. Also she informed us that Circle K members will be helping with the Farmer's Breakfast. Julie's host was Wally Brown.

Future hosts for Circle K members are:

3-25-81	Dick McConnell	4-29-81	Howard VanderSchaaf
4-01-81	Tom Heabel	5-06-81	Mike Stoffregen
4-08-81	Bob Horick	5-13-81	Bill Steadman
4-15-81	Wayne Mead	5-20-81	Bob Armstrong
4-22-81	Duane Kurrelmeyer	5-27-81	Bill Jameson
		6-03-81	Rick Siewert

Meet your guest near the name tag table at 11:55 a.m.

WEEKLY
NEWS
BULLETIN

March 25, 1981
Editor: John Little

Farmer's Breakfast this Saturday - Possibilities for a tremendous response was beginning to build on Wednesday. A preliminary report should be in by next week.

Guests from Circle K and their hosts were: Ken Harmon - Greg Kingery; Greg Havran - Wally Brown; Tammy Waknitz and Julie Pappas - Don Aanstad; Mark Good - Jeff Albertson; and Angie Turner - Dick McConnell.

Circle K Report - Members of Circle K just returned from the Nebraska-Iowa District Convention and demonstrated how they got to know each other and encouraged us to join them (Kiwanis members caught on real fast!). Circle K has a terrific group of young people and leaders and we can be justly proud of them. Their accomplishments included: New Club Award; "tallest person" Award (Mark Good); Club Book Award (3rd place); Single Service Award (2nd place); Most Organized Club and Most Outstanding Club in the District. They expressed appreciation for our help in getting started and are anticipating even greater cooperation. I think all Kiwanians felt that they can do as much for us with their excitement, energy and vision as we can do for them!

Happy Anniversary to: George Gable, March 28, 1979 and Al Gee, March 18, 1965. (Al just returned from one of those long distance inter-clubs in Abilene, Texas).

Bowling Report - The team is just 6½ games out of first place. To say anymore would simply confuse the issue.

Congratulations to Circle K members Tammy Waknitz and Mark Good. Tammy was elected Lieutenant Governor at the recent District meeting and Mark was elected Secretary-Treasurer.

Program for March 25 - Our guest was Bernie Wright of Nesper Signs who is also an instructor at Kirkwood. He teaches a class for drunk drivers who are usually assigned to take the course by a judge. He pointed out that the best solution for the problem he feels is through education.

Future Programs - April 1st our guest will be Mick Denniston, director of the Cedar Rapids Community Theatre. His subject will be "April Theatre Month." Other guests will include Bob Dye, Youth for Christ - April 8; Kent Millington, Cornell College - April 15; Martha Garner, YWCA - April 22; Sgt. David Webster and Bill McCarty, Linn County Youth Facilities - April 29.

April 1, 1981

Program for April 8 - Kiwanian Bob Dye, Director of Youth For Christ, will give us a YFC update and share information on a Media Event.

Farmer's Breakfast Report - It's too early for a full report but the outlook is a bright one. Pre-season sales were equal to last year and walk-ins were up by 250%. Captains are urged to contact all of their team members for totals and to turn in all monies to Duane Kurrelmeyer immediately. Special thanks to helpers from Circle K, Youth For Christ, and Metro High as well as Kiwanians and their families.

Circle K representative Rhonda Kueter was Tom Heabel's guest. She reported that Circle K recently made \$2600 on a Marathon Dance.

Happy Anniversary to Mike Wilson - April 4, 1979.

Happy Birthday to Walter Schultz - March 29, Bob DeMeulenaere - April 4, and a very special Happy Birthday to Rich Siewert who was serenaded by two pretty girls.

Good News/Bad News Bowlers - The bad news is they lost everything but the good news is the season is coming to an end!

April Board Meeting Tuesday, April 7 at the Roosevelt.

Our program for April 1 featured Mick Denniston, Director of the Cedar Rapids Community Theatre. Mick, who received his Degree in Theatre from Arizona State announced that this was his last season in Cedar Rapids as he will be pursuing an acting career full time in the immediate future. He feels good about the theatre climate in Cedar Rapids and predicts we will have a new site for community theatre performances soon. Mick has been in Cedar Rapids for about four years and has seen a lot of progress in that time. The theme for the 1981-82 season is "A Season of Plenty" and he urged everyone to consider a season ticket.

Program for April 15 - Our guest will be Kent Millington, Associate Professor of Business at Cornell College. His subject will be "Lessons of Economic History."

Program for April 22 will be dealing with the problems of battered women. Our guest will be Martha Garner. Since this is National Secretary Week, Rick Siewert has suggested that Kiwanians make this a Ladies Day and invite wives and secretaries.

Guests - Crwillie Brown of Hawkeye Area Boy Scouts was the guest of Frank Adkins. Julie Pappas was the guest of Bob Horick. Julie challenged the Kiwanians to walk for the March of Dimes on April 26.

Happy Birthday to: Bob DeMuelenaere
Adolph Helm
John Little

Happy Anniversary to: Al Swengle
Chuck Loomis
Jim Bowker

Inter Club to Vinton - Tuesday, April 14. If you would like to go give Ed Colton a call.

Aaron Randolph's team took first prize in the ticket sales for Pancake Day.

Program for April 8 - Bob Dye brought us up to date with Youth for Christ. A Trombone Trio from Jefferson High provided the music. Jim Strachta reported on a YFC Wilderness Canoe trip, Mary Beth Phelan told us why she chose YFC work as a vocation and Andy Wisely gave a Campus Life Testimony.

Bob showed a preview of the T.V. special: "Is There A Family In The House" sponsored by Youth for Christ. The program will air this Monday at 7:00 on Channel 9 and features Johnny and June Cash, Bob Hope, Rich Little, Billy Graham and others. Kiwanians are urged to watch this family emphasis program.

Program for April 22 - Our guest will be Ms. Martha Garner, a staff member at the YWCA. The program will be on the Cedar Rapids Battered Women's Shelter. Wives are invited, and, since this is National Secretaries Week, you may wish to bring your secretary also.

Farmer's Breakfast Report - About \$4300 has been received so far on ticket sales. However, there is still some ticket money out. Please turn it in this week so a complete report can be given at our next meeting.

Guests - Jon Rowe, a Circle K-er, was the guest of Duane Kurrelmeyer. Colonel Lloyd Rabe was the guest of Ed Seger. Ralph Aanestad was the guest of his son Don. Henry Gundling was welcomed back from Florida.

The Inter Club team composed of Tom Herzog, Bob Rush, Del Block, Rich Siewert, Ed Colton and Rudy Silvers visited the Vinton Club on Tuesday.

Happy Birthday to: Dan Schwitters on April 13 and Burt Hynden on April 18. (And Bill said he had a memory like a what?)

Happy Anniversary to Duane Kurrelmeyer - April 17, 1974.

Congratulations to Sandy Batchelor who, beginning last Wednesday, no longer has to stop at Allens on his way to the golf course, but can proceed directly to the #1 tee.

Five Walkers for the Circle K Walk-a-thon are signed up and will be looking for sponsors next week. They are: Frank Adkins, Aaron Randolph, Mike Stoffregen, Jim Swain and Wayne Woods.

The 1982 Circle K District Convention will be coming to Cedar Rapids next Spring.

Program for April 15 - Kent Millington, Associate Professor of Business at Cornell, soon to be with Life Investors, discussed the "Science of Economics." He indicated that we could learn five lessons from history in this area. They are: 1.) Individuals play key roles in economic development; 2.) Nature doesn't move in jumps but follows some steps of progression; 3.) The free market deserves consideration; 4.) Distribution of wealth is a key political issue; and 5.) An understanding of economic history should help us to have proper perspective for the future.

Kent closed his report with a quote from a survey by Connecticut Mutual Insurance Company indicating that the strongest factor in the development of American character has to do with religious commitment.

Board Report - The Board met following Wednesday's meeting and accepted the resignation of Bill Steadman with regrets.

Program for April 29 - Our guests will be Sgt. David Webster and Mr. Bill McCarty, Director of Linn County Youth Facilities Commission. Their subject will be the Youth Shelter Program.

Farmer's Breakfast Proceeds are nearing the \$5,000 mark. Expenses were \$2,200, \$200 of which was used to purchase equipment. If you have any ticket money, please turn it in.

Mike Stoffregen is busy signing up sponsors for the Circle K Walk-a-thon. If he hasn't talked to you, why not give him a call.

A number of wives, secretaries and other guests attended the April 22 meeting of Kiwanis. We had some adjustments with the long, thin room but we enjoyed all the fine company.

Happy Birthday to Duane Kurrelmeyer.

Happy Anniversary to Bob Armstrong who joined the club on April 23, 1923.

Our Good News-Bad News Bowling team won all the marbles last week. The slightly-bad news was that only two guys showed up from the other team and our guys won by a forfeit. But like Duane says, we'll take 'em any way we can.

Welfare Report - Al Bickel is still in St. Lukes. Hope to see him out soon.

Congratulations to Metro Kiwanis celebrating their 25th anniversary Friday, April 24. Metro Kiwanis was originally sponsored by the Downtown Club.

Program for April 22 - Rich Siewert introduced Martha Garner, Coordinator at YWCA Battered Women's Shelter, who shared a slide-tape presentation. The Cedar Rapids shelter was the first shelter of five that now exist in Iowa. Martha pointed out that there is no "typical group" represented among battered women but that all segments of society are seen at the Shelter. The Shelter is not a treatment center or legal advice agency. It is more aptly described as "women helping women" providing friendship and support, enabling women to make their own decisions. Their main object, Martha indicated, was "to stop the violence."

Program for May 6 - The Annual Kiwanis Citizenship Awards will be given to deserving high school students from the Cedar Rapids area. Aaron Randolph, Program Chairman for May also indicated that help will be needed when the duplicate awards are presented to the students at their local schools by Kiwanis members. If you can help call Frank Adkins.

On May 13 Don Menning will be with us for the Annual Industrial Arts presentations.

Notice to Walk-a-thon Supporters - Please send your pledge money to Mike Stoffregen at Bohemian Savings and Loan as soon as possible. \$1500 was raised by the Kiwanis walkers! The Circle K would like to have a Get-Acquainted picnic with Kiwanis and Mike would like to know how many are interested. Also on Monday, May 4 there will be a "slave auction" of Circle K-ers with bidding starting at \$5.00.

Kiwanis Board Meeting - Tuesday, May 5 at noon.

Happy Birthday to:

Rex Schrader	- April 26
Guy Ames	- April 26
Tom Heabel	- April 30
Jerry Banes	- May 2

Guests: Bob Horick's guest was Dave Knutson. Rex Schroder's guest was Jill Conley. Tammy and Julie were Mike Stoffregen's guests and dined on chicken-fried crow. (They vowed to get us next year).

The Bowling team finished the season in sixth place. So we'll lay them to rest for the summer months and look forward to next fall-(dare we dream of new shirts?).

Program for April 29 - Rich Siewert introduced Sgt. David Webster, head of the Advisory Committee for Linn County Youth Facilities Commission who introduced Bill McCarty, Director of the Youth Facilities Commission. The Commission was formed in 1975 to provide temporary care for children who had been removed from their homes for some reason, providing a much needed alternative to the city jail or state institution. The Commission has two facilities - one wing of the Linn County Care Facility and the Shelter on 5th Avenue. Activities include a full school day, arts and crafts, recreation, etc. Costs run from 70 - 74 dollars per day per person and are met by Linn County and the state.

May 6, 1981

Program for May 13 - Our guests will be Don Menning and high school students and their Industrial Arts teachers from area high schools. Along with the program we had on May 6, this represents the main thrust of the Kiwanis outreach to young people and is one of the most inspiring programs of the year.

Walk-a-thon Pledges - should already be turned in. If for some reason you haven't paid yours, see Mike Stoffregen today.

Corrections for back of bulletin? If your number, address, etc. needs to be changed call Ruth today at Rapid Graphics at 366-2679.

Guests included students from all the area high schools, their parents and faculty representatives. Don Wegner from Metro Kiwanis attended also.

Happy Birthday on May 7 to C.R. Fahrney.

Best Wishes to Al Bickle who is still in St. Lukes but feeling much better.

Program for May 6 - All available space was taken as Kiwanians observed the annual Citizenship Awards Day. Each student received an attractive certificate plus a \$50 Savings Bond. (Both of the above will be re-awarded at the individual high school awards programs.) Frank Adkins did a great job as Master of Ceremonies and each faculty sponsor explained why their particular students were chosen. Why they were chosen became obvious to us all as they explained the dramatic turn-arounds of a number of young men and women as well as incredible handicaps overcome. Kiwanians certainly can be proud of the part they played in making Wednesdays program possible.

Visitors today: Lane Stumme, our Circle K guest today.

Anniversaries: Ed Colton, Rudy Silvers, Al Bickel.

No birthdays today.

PROGRAM MAY 13: This was the annual Kiwanis Industrial Arts Awards. Program Chairman, Aaron Randolph, introduced Don Menning. Don expressed appreciation to the Kiwanis Club for providing these Industrial Arts Awards now for more than 20 years. This year 135 certificates were awarded to the area Junior and Senior High School students.

Aaron interviewed the following students:

John Wolfe - Harding
Ed Willet - McKinley
Shelly Walkner - Roosevelt
Steve Prachar - Taft
Scott Anderson - Wilson
Scott Donels - Jefferson
David Reese - Kennedy

A teacher representing each school was also present. The Kiwanians really admired the fine projects that were made by these students.

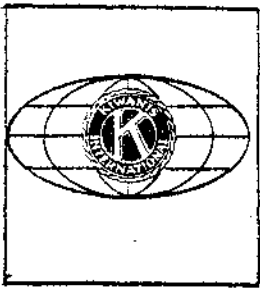

Thanks to Mr. Loyd Wilson's Industrial Arts class at Washington for the fine "take home" gifts that were given to each Kiwanian.

Special important announcement: At next week's meeting special awards presentation for all who were on Aaron Randolph's winning ticket sales team for the Farmers' Breakfast. All team members must be present to receive the prize.

Wayne Mead won the special drawing and received the "door" prize compliments of Ogden Adams.

Program for June 10: Our speaker will be Duane Buchheit, President of the Cedar Valley Chapter of the Kidney Foundation. His subject will be: "Kidney Transplantation and Dialysis - My Story."

Seen any empty gumball machines lately? If so, call 363-2695 and report the location. By the way, over the years the gumball program has made it possible for Downtown Kiwanis to invest \$63,329 in youth programs in our community!

Congratulations to Bob Dye and Youth for Christ who were recently awarded a \$25,000 grant from the Hall Foundation in a matching funds program.

Interclub Info: Rudy Silvers, Ed Colton and John Little attended the Metro Kiwanis meeting May 28 but didn't qualify as an Interclub (you need four men). Ed and Rudy joined with Charlie McIntyre and Bob Rush for an Interclub that counted at Central City on June 2. By the way, all Kiwanians are expected to attend at least one Interclub a year.

Guests: Mark Cook, a Circle K member, was the guest of Rich Siewert.

Happy Birthday to: Mike Stoffregen and Wayne Mead.

Happy Anniversary to Gary Samek.

(Note to our Treasurer Duane:) We increased the coffers substantially while you were away. Beside birthday money we also collected from a coat-less Bob Armstrong, a tie-less President and a lot of pin-less Kiwanians.

The Search for a Kiwanis Historian has ended. Ed Colton has accepted the job.

Don't forget next week's election!

Program for June 3: Our guest was Dr. Bill Jacobsen, Principal of Jefferson High School (and a Lutheran for the benefit of any absent Kiwanians who might be interested Jim). His subject was "Developing Human Potential," and he reminded us of the words of William James: "We alter our lives by altering our attitudes." He indicated that a change in philosophy is coming about in our public schools. There is a return to the basics with an emphasis on discipline. In the 1980's he expects to see the educational potential enlarged to make better students and citizens.

Program for June 17 - Our speaker will be Fire Marshall Phil Saunders of the Fire Prevention Bureau. He will discuss the subject: "How to Survive A Multi-Story Building Fire." Speaker for June 24 will be Dr. John Bury of Cornell College on "Ham Radios." July Program Chairman is Greg Kingery. Give Greg a call if you have any ideas for July programs.

Special Congratulations to Dr. Clarence Fenner who was the recipient of a Kiwanis Life Membership Award. A special commendation from Kiwanis International cited Dr. Fenner for "effectively perpetuating the aims and objectives of Kiwanis International." Congratulations to a well deserving Kiwanian. He has, by the way, 45 years of perfect attendance!

Congratulations also to the 1981-82 officers. They are: President, Don Aanestad; First V.P., Mike Stoffregen; Second V.P., Guy Ames; Secretary, Aaron Randolph; Treasurer, Duane Kurrelmeyer; Board of Directors, Rex Schroder, Wayne Mead, Jim Swain, Wayne Woods and Rich Siewert.

Welcome to Les Sykora, Bill and Dick Enders, Ed Olson, Bill Ensign, and George Thompson from Metro, along with Howard Hill of the Mt. Pleasant Club.

Happy Birthday to Pytr Knoll, Gary Samek and Bill Jameson.

Mike Stoffregen presented a plaque given to the Kiwanis Club by the March of Dimes in appreciation of our Club's participation in the Walk-a-thon.

Program for June 10 - Duane Buchheit, counselor at Washington High School and President of the Cedar Valley Chapter of the Kidney Foundation shared a very meaningful personal experience. Duane developed a form of kidney failure in 1964. In 1973 he was given a new lease on life when his sister donated one of her kidneys which was successfully transplanted. He now lives a relatively normal life, enjoying work, sports, etc. He urged every one to consider becoming an organ donor.

Our sincere sympathy is extended to Kiwanian Warren McAllister at the recent death of Mrs. McAllister.

Program for June 24: Professor John Bury of Cornell College will present an interesting and informative meeting on the subject of "Ham Radios." He will be setting up ham radio equipment during the meeting and will be talking with various people around the world! This has been a long-standing hobby with him, and he will be going into details as to how it works, the benefits from the hobby, etc. Don't miss this excellent presentation. The July Program Chairman is Greg Kingery. Give Greg a call if you have program ideas for that month.

Guests: Angie Turner was the guest of Wayne Woods. Al Beach was the guest of Bill Jameson, and Larry Warren was the guest of Rich Siewert.

Birthdays: Tom Herzog, Bill Jameson, and Jim Manville.

No anniversaries today.

Program for June 17: Phil Saunders, Fire Marshall, has been with the Fire Department for 16 years. he showed a slide-tape presentation concerning how to survive a fire in a multistory building. When checking into a hotel room, follow this procedure: Find the exits! Know where they are in relationship to your room. If you can get to an exit in case of a fire, of course do it. If not, do not jump from a window!! Stay in your room. Try to seal off the door with wet towels to keep gas and fumes from coming into the room. Fill the bathtub with water so you can keep towels or bedding wet.

Some things to consider:

A pedestrian is a man who has two cars, a wife, and one or more teenage children.

"He is no fool who gives what he cannot keep to gain what he cannot lose."

Program for July 1 - Program Chairman for July is Greg Kingery. Craig Brodke of the Department of Mental Health Services will be our first guest of the month and will explain the services provided by his department.

Guests - John Little's guest was Circle K member Craig Havran. Craig indicated that a number of Circle K members are planning to go to Circle K International and ask Downtown Kiwanis to consider some kind of assistance program.

Leonard Santone from Metro Kiwanis was our guest also.

A Note of thanks was received through Dr. Jim Downing from School Nurse Louise Barr for the fine assistance Downtown Kiwanis has provided children in our area who need eye glasses and check-ups.

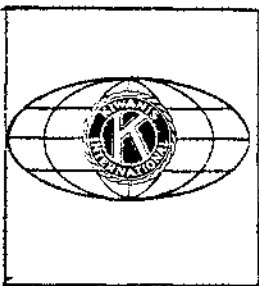

Happy Birthday to Jim Manville.

President Elect Aanestad welcomed Bill Jameson back but his timing was off and it cost him!

Program for June 24 - Ed Capesius introduced Bob Armstrong who introduced Dr. John Bury of Cornell College. Dr. Bury is head of the Department of Continuing and International Education but attended Kiwanis to talk about his hobby - Ham radio. Dr. Bury was quick to point out that Ham radio is not "Citizen's Band" radio. Much more study is involved to become a part of the Ham network. Ham radio operators are a service organization and are widely used in emergency situations such as floods, fires and tornadoes. Dr. Bury used a hand-held transceiver to talk with some operators in the area. Some of the better known Ham operators are Barry Goldwater, Arthur Godfrey and King Hussein.

Questions to consider - Have you hugged your kid, kissed your wife or invited a friend to Kiwanis lately?

Program for July 8: Our guest will be Bob Salk representing Job Services of Iowa, according to Greg Kingery, July Program Chairman. On July 15 Sgt. Fred Klappholz of the Cedar Rapids Police Department will discuss ways to prevent home burglaries.

Board Meeting for July will be held at the Roosevelt on Tuesday the 7th. Board members are urged to attend as well as anyone else who may wish to gain a make up or just observe a Board meeting.

Visitors: Don Aanestad's guest was Dwight Custer. Wally Brown's guests included his son Mark De Frees and son-in-law Dennis Wolumbry.

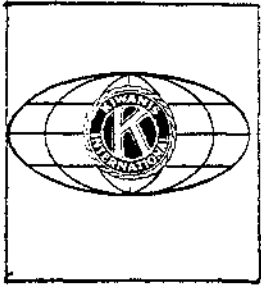

Happy Anniversary to Bill Windus - July 1, 1974 and Rich Siewert - July 1, 1980.

Happy Birthday to Bob Armstrong "born on the 4th of July." We'll celebrate next week, Bob!

Congratulations (again) to Bill Pohorsky who got his second 25 year Legion of Honor award! (Somehow Bill never seemed that old).

Program for July 1: Our speaker was Craig Brodke of the Community Mental Health Center. CMHC is a public service organization funded in the main by Linn County. The Center has a budget of \$1,055,000 and a staff of 33 which includes two full time psychiatrists, three psychologists plus social workers, nurses and secretarial help. They handled 1,200 admissions in 1981. Their outreach extends to jails, schools, nursing homes, half-way houses, etc. They attempt to give help wherever possible regardless of the ability to pay. They are presently involved in an expanding Information and Education program. One of their major concerns is an attempt to remove the stigma attached to mental illness.

Program for July 15 will feature Sgt. Fred Klappholz of the Cedar Rapids Police Department. His subject will concern the prevention of home burglaries.

A Change of By Laws will be voted on at our July 29th meeting. The changes are in three areas: 1. Membership requirements for senior members will be increased from 10 to 15 years. 2. Senior members will be expected to attend 12 club meetings annually. (Previously none was required). 3. The 60% attendance requirement for regular members will be enforced.

July Board Meeting: Board members unanimously approved a \$450 gift to Circle K to make it possible for three persons to attend the annual Circle K convention in Philadelphia. Appreciation was expressed for the fine cooperation our club has received from Circle K and for the great progress the club is making.

Thanks to Jim Oetken for the outstanding tribute celebrating the Armstrong-Steveley birthday observance. The key word was "despair (see page 310 of the American College Dictionary).

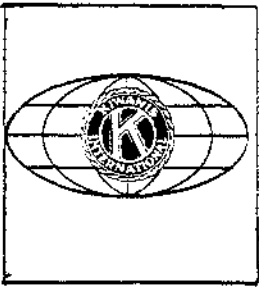

Happy Anniversary to Jim Swain who joined the club in July of 1979.

Guests: Warren Rogers' guest was Tammy Waknitz of Circle K. Warren McAllister's guests included Lt. Governor Elect Jim Stineheart and Ed Bock.

Program for July 7: Bob Salk, Manager of the Insurance Division of Job Services explained some recent changes in the Iowa Unemployment Law. Included was an automatic increase in benefits as prescribed by law. Interesting points made by Mr. Salk included:

- Iowa laws on unemployment often go beyond Federal requirements.
- People who don't want to work are very ingenious.
- Payments in the main are not based on need as much as legal entitlement.
- A craftsman who makes \$25,000 annually can still collect unemployment if he is laid off.
- Documentation is necessary if misconduct is to be proven and firing upheld.

Program for July 22 will feature Dan Rogers as speaker. Dan is with the committee exploring the possibilities of a new jail in Cedar Rapids.

A vote on the change of By-laws as announced last week will be taken on Wednesday, July 29.

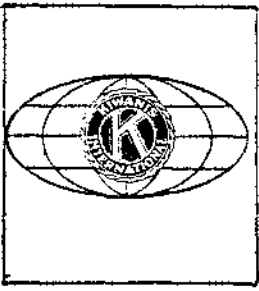

Happy Anniversary to Del Block - July 12, 1978 and Bob DeMuelenaere - July 11, 1972.

Congratulations to Frank Race who received a Legion of Honor award in recognition of 30 years with the club.

July 15th Program: The meeting opened with President-to-be Aanestad leading us in "America" and the Pledge and Bob Rush leading us in prayer. Fran Brown then directed us down memory lane with the singing of some golden oldies including "My Darling Clementine" and "There's A Tavern In the Town." Our speaker was Sgt. Mike Klappholz of the Cedar Rapids Police Department who explored the subject of home burglaries. He indicated that while burglaries in Cedar Rapids were up 6% in the past year, that included a drop in business burglaries and a larger increase in home break-ins. There are ways to lessen the possibility of that happening to you. (Someone suggested putting an arrow in your yard pointing to the house next door.) Sgt. Klappholz indicated that the police are doing about all they can and if a change is brought about, it will be up to the homeowners. Three suggestions were: 1. A Neighborhood Watch set-up wherein you get to know your neighbors and watch out for one another's homes. 2. Operation Identification which calls for identifying marks or codes on valuable items for claiming purposes after recovery. 3. Home security including dead bolt locks, keeping shrubs clipped to avoid hiding places for thieves, security lights and a system to lock windows. Also, having a dog or two around seems to discourage potential burglars.

Speaker for July 29 will be Marcia Schultz for I.E. discussing the year of the Disabled Person.

Program for July 29: Marcia Schultz, from Iowa Electric will be our guest speaker. Her subject will be "1980 - The Year of the Disabled Person."

A Change of By-Laws will be voted on next week, July 29. The changes are in three areas: 1. Membership requirements for senior members will be increased from 10 to 15 years. 2. Senior members will be expected to attend a minimum of 12 club meetings regularly (previously none were required). 3. The 60% attendance requirement for regular members will be enforced.

Happy Anniversary to Rex Schrader who joined Kiwanis on July 19, 1972 and to Tom Herzog who became a Downtown Kiwanian July 25, 1979.

The program for this week was presented by Dan Rogers, Chairman of the Committee for a new jail. Dan began by announcing that there would be a bond issue for the new Linn County jail in the near future. Cost for the new facility will run somewhere between 7.3 and 8.5 million dollars.

Dan represents a committee of about 30 people who come from all walks of life.

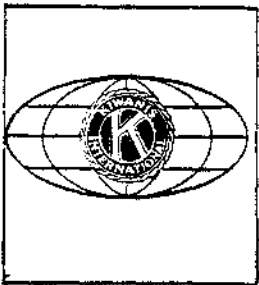

Some of Dan's points included:

- Much of the pressure for a new jail is the result of State/Federal requirements, i.e. minimum space, natural light, medical attention, etc.
- The average person in jail is male, Caucasian, and between 18 and 35.
- 85% of the people in jail are there on a pre-trial basis.
- The major question seems to be whether people who are intoxicated and/or short term should be put in jail or sent to some treatment or holding center.

Four possibilities were considered concerning a new jail:

1. A suburban site
2. An urban site near the court house
3. A new building on May's Island complete with new sheriff's quarters.
4. A new building on May's Island with the Sheriff's Department remaining at the present location.

PROGRAM FOR AUGUST 5: Sgt. Don Zeller, Linn County Sheriff's Department, Mona Knoll and Dick Spurck will be our speakers on the Alcoholic Substance Abuse Program (ASAP).

Mike Kennedy: Our sympathy goes out to the family of Mike Kennedy on his death this past week. He was a member of Kiwanis for thirty-nine years and will be sorely missed by the Club.

Change of By-Laws: The changes were presented, motion made and passed to adopt the following:

1. Membership requirement for senior members will be increased from 10 to 15 years.
2. Senior members will be expected to attend a minimum of 12 club meetings regularly. (Previous, none were required.)
3. The 60% attendance requirement for regular members will be enforced.

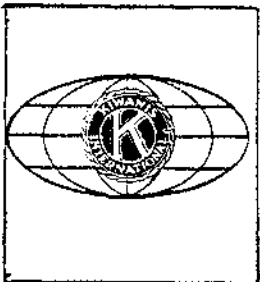

Inter-Club: Ed Colton announced that a meeting with the Muscatine club is planned for Monday, August 3. Group leaves at 5:30 a.m. and Ed promises to take a map this time!

THE PROGRAM FOR THIS WEEK was presented by Marcia Shultz, chairperson, Employment Committee for Disabled and Handicapped Persons. Marcia described the aims and goals for "1981 - International Year of the Disabled Person." 30,000,000 persons in the U.S. are considered disabled or handicapped. Their group is involved in promoting the following for disabled persons:

1. Expanded educational opportunities
2. Improved access to public buildings
3. Greater opportunities for employment
4. Greater opportunities for social activities
5. Biomedical research for cures and drugs for lesser known disabling diseases
6. Safety measures
7. Technological advances addressed to aiding the disabled persons

A seminar for employers will be conducted August 27, at Stouffer's, 8:00 a.m. to 1:30 p.m. Current laws and how to comply will be the primary subject for the seminar. Ms. Shultz indicated the Committee was hoping for the participation of some "heavyweights" in the seminar -- and was looking at Don Aanestad as she made the comment.

PROGRAM FOR AUGUST 12: St. Luke's Blood Bank presented by Nancy Grove

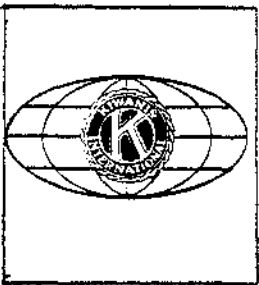

GUESTS: Bob Blin (not really--just in C.R. for a couple of weeks), Mark Carie from Cleveland--C.R. Fahrney, Darold Smith--W.J. Jameson, and Larry Warren --R. Siewert.

ANNIVERSARIES: Charlie McIntyre

BIRTHDAYS: Frank Race, Bob Horick, Bill Windus and Vic Bock(not present--- must remember to extract one buck when he does show up)

PROGRAM FOR THIS WEEK: Sgt. Don Zeller, Linn County Sheriff Department; Mona Knoll, Assistant Linn County Attorney; and Dick Spurck, Linn County Department of Correctional Services, presented the program on ASAP (Alcohol Safety Action Program). The primary aim for law enforcement is to get people "under the influence of alcohol or drugs" off the road before they hurt themselves or someone else. In 1980 there were 30,000 deaths in the U.S. resulting from alcohol related accidents. Linn County had almost 1700 drivers arrested for driving while under the influence of alcohol last year. Judicial arraignment occurs within 24 hours of arrest (which includes a night in jail!) and a trial scheduled typically within 2 months. Sentences for 1st offense usually result in one year probation along with a fine and some corrective measures, such as the Kirkwood Drinking Driver course which is the function of the Department of Correctional Services. 2nd and 3rd offense convictions may result in stiffer penalties and parole restrictions, i.e., total abstinence from drinking, treatment, longer driver license suspensions, etc. AA referrals are used for those in the alcoholic category.

PROGRAM FOR AUGUST 19:

The ever popular Dr. Russell Anthony will speak to us about "Shriners".

GUESTS:

Bob Rush's guest was Al Skarupa, Santa Monica, CA. Al was so pleased with the price of our lunch compared to his club that he donated \$2.00 to our treasury! (Hope the Roosevelt doesn't hear about this.)

BIRTHDAYS:

Hugh DeWees *Aug 10 -*

ANNIVERSARY:

Doc Downing (1947)

IN HOSPITAL:

Bill Pohorsky, St. Lukes. Has had two operations - back and prostate.

CIRCLE K:

Wayne Woods reports that the Iowa Delegation is off to Philadelphia in rented station wagon. Three from the Kirkwood group and five the rest of the state.

THE PROGRAM FOR THIS WEEK:

Nancy Grove, Supervisor, St. Luke's Blood Bank, gave an excellent program including slides on the Blood Donor Service Program. Blood has a shelf life of 35 days after drawing and hence, supplies need to be replenished continuously. The need for blood donors is desperate at times and she enlisted our support. The procedure is relatively simple and takes an hour or so for whole blood donation procedure. Pheresis (platelets only) donation is somewhat more lengthy but leukemia, cancer or plastic anemia patients need this form of blood for survival.

Your help would be appreciated by either local hospital. Age limits of 17-66 and good health are the primary prerequisites for being a member of the donor program.

Program for Next Week: Our guest will be Ruth Majerus of the League of Women Voters

Guests included George Norris, Central City, Lt. Governor elect, John English, guest of Frank Race, Lloyd Berry, guest of Pytr Knoll, Bob Cherry and Don Bowman, guests of Dr Anthony as well as a special welcome to our newest member, Larry Warren.

Lt Governor elect Warren challenged the club to meet not only its regular goals but also to help with the starting of new clubs in the District and to start a Builder's Club in our own community. There will be an Installation Banquet for the new Lt Governor at Central City on September 2.

A Speedy Recovery is our wish for Bill Pohorsky who is recuperating at home after an extended stay at the hospital. Hope to see you back soon, Bill.

Happy Birthday to Rich Altorfer on the 16th, Doc Fenner on the 18th and Ed Seger on the 19th.

Happy Anniversary to Orie Lawrence. We all hope to see you back at Kiwanis one of these days Orie.

Special thanks to Bill Windus for a great job with the news while yours truly was away. Also to President-elect Aanestad for carrying on while President Steveley is away

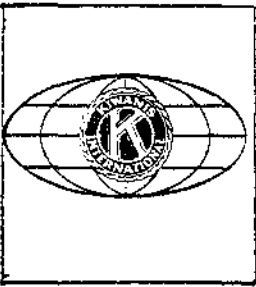

Program for August 19 Our speaker was Dr Russell Anthony, Imperial Guide Elect of the Shriners of North America, local veterinarian and avid supporter of Iowa State football. After warning Iowa fans to beware and giving a thumb nail sketch of C.R. Fahrney's cat, (a boxer, no less) he proceeded to share some pertinent facts about Masons and Shriners. He began by indicating that the Shriners are the second most visible organization in the world. He also pointed out that the general public doesn't make the connection between the Masons and Shriners. For this reason a new phrase Shrine-Mason has been coined and will be heard regularly. He showed an excellent film on the Shriners and also invited the Downtown Kiwnis to visit the Iowa Masonic Library, the only one of its kind in the world.

Happy Anniversary to Sandy Batchelor, who joined the club on August 24, 1964.

Congratulations to the bowling team, who won all the points, even though they were a bowler short. If you would like to bowl, call Duane Kurrelmeyer.

Upcoming President Aanstad received a vote of confidence at Wednesday's meeting. Don was heard to remark, "With friends like that..."

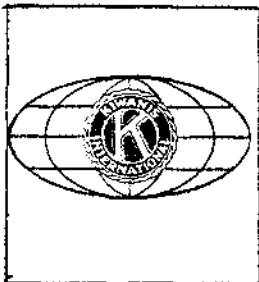

Central City Interclub - On Wednesday evening, September 2, at 7 p.m., Lt. Governor George Norris will be installed. The meeting will be held at the Central City Methodist Church. Ladies are encouraged to attend.

Board Meeting - next Tuesday, September 1, at the Roosevelt Hotel.

Program for August 26 - Pytr Knoll introduced Ruth Majerus, representing the League of Women Voters. Ruth gave us an over-all view of the League, pointing out that among the Leagues, many-facet activities are included: the sponsoring of political debates (i.e. presidential ones); the monitoring of political activities on local, state, and national levels; sponsoring and opposing certain pieces of legislature; and voter service activity, etc. Their budget, which is small because of so much volunteer service, is raised through membership dues and donations, plus community support.

The League gets involved in a variety of activities, but seeks to remain bi-partisan. Decisions are arrived at by consensus.

Happy Birthday to Virgos Greg Kingery and Henry Gundling.

Welcome to Dave Hawley of Dallas, Texas, guest of Charlie McIntyre.

Calling all bowlers: Our team had to forfeit last Monday because of a lack of men. If you can bowl regularly or as a sub, call Duane Kurrelmeyer or Ed Colton.

Our Music Appreciation segment featured Jim Oetken presenting Fran Brown with a classic recording entitled "The Best of Slim Whitman." Needless to say, Fran was speechless. Fran, we really do appreciate what you add to our meetings!

Best Wishes to Bill Pohorsky who is back in St. Lukes for some tests.

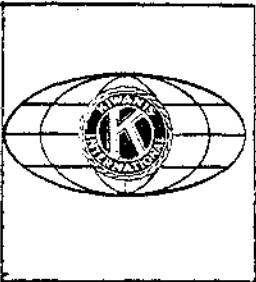

A Note of Appreciation from the Circle K Club to Downtown Kiwanis was read by President Steveley. They expressed their thanks for the help they received which made it possible for a number of Circle K-ers to attend the National Circle K Convention. Circle K has begun its regular fall meetings and had 10 new members at its first meeting this week. They meet Tuesdays at noon.

Interclub September 8 at Waterloo at noon. Charlie McIntyre will be speaking. If you can go, call Ed Colton.

Program for September 2: Our guest was Dee Baker, Director of Consumer Credit Counseling service. Her organization is a private, non-profit organization funded by monthly fees, reimbursements from participating companies, and donations from private sources. They work with people who, for a variety of reasons, are in credit trouble. Dee pointed out that there is no stereotype of the person who can't handle money. They come in all ages, economic levels, education backgrounds, etc. She indicated a need for more education in this area on a high school and college level.

"Thanks to all of this years monthly chairmen" from Mike Stoffregen.

Program for Next Week will feature T.V. personality Denny Frary. On September 23 our guest will be Tate Cummins. Our September 30 program will be an Installation of 1981-82 officers.

After some prompting Rudy Silvers reported on two recent Inter-clubs. On September 8 Rudy, Jim Cetken, Jim Downing and Charlie McIntyre were in Waterloo where Charlie presented an outstanding program. On September 2 the following Kiwanians accompanied by their wives were at Central City for the Installation of Lt. Governor George Noriss: Ed Colton, Kim Steveley, Dick McConnell, Guy Ames, Rich Siewert, Duane Kurrelmeyer and Rudy Silvers.

Guests: Max Schrader from Manilla, Arkansas was the guest of his brother, Rex; Al Beach, newest member, was Bill Jameson's guest; John Schroeder was Ed Capesius' guest and Ed Boch was the guest of Warren McAllister.

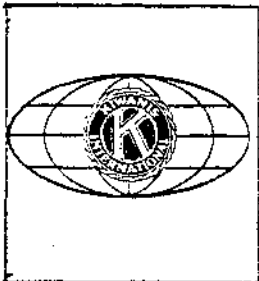

The Marion Kiwanis Club is planning a joint installation of its officers along with the Hiawatha Kiwanis at the Longbranch on Thursday, September 17 at 7:00 p.m. Cost is \$8.25 per person. Reservations should be in by Monday, September 14 by calling 363-0605.

Program for September 9: Bud Jameson, Cedar Rapids Airport Manager gave a progress report on that facility. The airport is operating on a sound financial base, not having been on the tax rolls since 1970. Passengers at the airport have doubled every ten years and totalled 500,000 last year.

Among the problems faced at the airport are de-regulation and increasing costs which of course affect the cost of tickets. (There were a number of questions concerning the air controllers strike from the floor but Bud, boxer-like, deftly side-stepped them all!).

Board Action: The resignation of Claude Jones was accepted with regrets.

Program for September 23: Our speaker for next Wednesday's meeting will be Tait Cummins. Installation of 81-82 officers will be held on September 30 at the Sheraton Inn. Social hour at 6:30 with dinner at 7:30.

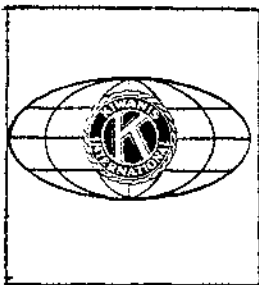

Guests on Wednesday included Norman Waffle from the Marion Club and Jim Curtis who was a guest of John Little. Julie Urfer was Duane Kurrelmeyer's guest and is the new Circle K president. Julie announced a September 25 dance and a Garage Sale on October 5th and 6th and encouraged Kiwanians to volunteer their services. Ray Watkins and Bill Wilde were in attendance as representatives of Metro Schools and were presented a check for \$700.00 by President Steveley to help establish a revolving loan fund for needy students.

The Bowling Team won one and is still looking for additional bowlers.

Guy Ames, 2nd Vice President and Program Chairman for 81-82 is looking for monthly program chairmen. Contact Guy if you can help.

Wednesday's Guest was Denny Frary, KCRG morning talk show host and weatherman. He pointed out that much sophisticated equipment makes for more accurate forecasting. He also indicated that there is no "average" weather pattern in Iowa -- that each year is different. In response to a question, he also said that there is no real indication that over a period of years the weather is getting progressively hotter or colder but did feel that if the pollution cloud continued to increase, a warmer weather pattern could result.

The program will include a social hour at 6:30 and dinner at 7:30. Kiwanians and their Kweens are urged to attend. All Kiwanians are encouraged to attend.

Happy Anniversary to Ed Capesius, September 26, 1979.

Happy Birthday to Jim Downing, September 20 and Ed Colton, September 25.

Congratulations to the Kiwanis Bowling Team who broke all kinds of records and came away with all the points. Jeff Albertson, first time bowler, with a 147 average had games of 180, 213, and 161. Ed Colton had a 231 second game. The team now holds the high game total of 1161 and high series of 3145. "How about them guys."

Best wishes to Bill Pohorsky who is still going through the process of recuperating at home.

Guests: Rudy Silvers' guests were Don Bowlin and Bob Collitt. Jeff Albertson's guest was Ken Harmon of Circle K, and Harold Ward was the guest of Jim Downing.

Circle K is sponsoring a garage sale on October 5 and 6. People donating items will receive 50% of what their items sell for. Items should be brought to the Campus Health Office by October 1. Proceeds will be used to furnish Christmas Food Baskets for needy families.

Program for September 23: Tait Cummins was our guest and after opening with a few stories (you'll hear them again from Harold Ward), paid tribute to the Amana V.I.P. Golf Tournament as "the greatest." Tait pointed out that all the expenses of all the participants are paid by the Amana Company (including flying Gary Player, his wife and children from South Africa). He also indicated that the cost of the tournament is covered by the increase in sales plus a tax rebate. Mr. Cummins revealed that Arnold Palmer will be playing in the 1982 tournament at Iowa City.

Birthdays were celebrated by Bob Gable, October 13 and President Aanestad, October 15.

Bowling Team: After a great start the team has had a problem lately taking 1 out of 3 again. If you would like to help out call Duane or Ed.

Bob Horick's guest was Mark Cook, recently elected President of the Circle K Club at Kirkwood. Mark reported that they had made over \$100 on a recent garage sale and have ordered K pins for all the members. Mark also pointed out that the Downtown Kiwanis is invited to the November 11 Circle K meeting (the invitation had been accepted by the Kiwanis Board) and hoped all Kiwanians would attend. Plans for vans are being made to transport Kiwanians from the Roosevelt.

Board Action - Rich Altofer's resignation was accepted with regrets.

Program for October 14: Kiwanian Mike Stoffregen introduced Junior Achievement Executive Director Jim Gross. Jim pointed out that J.A.'s purpose was to provide young people with practical experience in the private enterprise system. They work with young people in three areas: in elementary schools where simple business principles are introduced; in Junior High, where students are exposed to business basics; and in Senior High where a full-fledged J.A. program is carried on. Here students set up mini corporations complete with charters, sell stocks and manufacture and market products.

In 1981 throughout the U.S. 457,000 people were affected by the J.A. program. 685 participated in the Cedar Rapids area.

Program for October 28: Our guest will be John Lash, general manager of Cedar Rapids Cable Communications Inc.

Something Missing? Our pianist, Fran Brown is on vacation for a couple of weeks. Our singing needs all the help it can get. Hurry back Fran!

Speaking of Missing - The Bowling Team report was a kind of good news - bad news experience. Ed Colton led the club in singing happy birthday to qualify for the good news.

The "Happy Birthday" was for George Gable, Mike Wilson and Orie Lawrence.

Happy Anniversary to Jim Oetken, October 18, 1972.

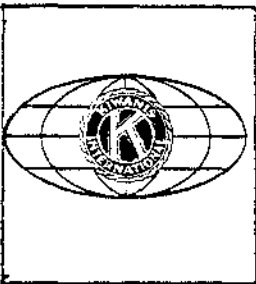

The Welfare Report was a good one as Bill Pohorsky put in a personal appearance to indicate that he is doing fine.

President Aanestad reported that he is re-instating the Kiwanian of the Week (per Jim Oetken's regime) with Greg Kinzery serving as chairman of that activity. To get things started Greg gave an "eloquent" resume of his life as a young attorney in Cedar Rapids where he has been practicing for one and a half years with Novak, Kubicek, etc. Greg and his wife Julie live on the northwest side.

Program for October 21: Kiwanian Guy Ames introduced Dick Swartzendruber, President of Vigortone Inc. who told us about the Cedar Rapids Charity Horse Show which Vigortone sponsors. One of the largest horse shows in the country, it features a wide variety of horses and events. Proceeds from the show go to the Cancer Society. The show is an annual event and provides a \$10,000 first prize in the main event. Amanda Blake (Kitty) was a recent guest celebrity. The Horse Show is held each year around the first of June.

Welcome to Delbert Bremer, guest of Wally Brown. Howard VanderSchaaf also brought greetings to the club from Bill Schneider, former Cedar Rapids Kiwanian whom Howard ran into in Salt Lake City while searching for his roots.

Program for November 4: Wayne Woods, Program Chairman for November announced that our speaker next week will be Irv Mussman, Assistant Construction Engineer for the Iowa Department of Transportation. He will discuss highway construction in the Cedar Rapids area.

Welcome Aboard to Ed Capesius who will take over as Editor of the Kiwanis news next week. Best of luck Ed.

Board of Directors meeting Tuesday, November 3 at the Roosevelt. Remember you can attend if you are a Board Member or not. It's informative and also good for a wake up.

Happy Anniversary to Bob Horick, October 31, 1979. Also a belated one to Jim Oetken plus a happy anniversary (wedding that is) to Jim and Betty. (Sure hope that doesn't cost Betty a gift.)

Still Missing (and missed) - Fran Brown at the keyboard. Fran is due back next week.

Welcome to: Jeff Berg - a Circle K member and a guest of Don Aanestad; Roger Goodson, guest of Ed Seger; Mike Helms, Rich Siewert's guest; and Tony Quinlan, Kim Steveley's guest. Mike and Tony are both prospects for Kiwanis membership.

Program for October 25: Our speaker was John Lash of Cedar Rapids Cable T.V. John pointed out that cable actually got its start in Oregon closely followed by Pennsylvania when a T.V. tower owner simply ran a cable from his tower to a few neighbors homes and has rapidly grown to a multi-million dollar industry. The original company had five channels and today goes as high as 108. Cable began in Cedar Rapids in 1978. Today Cedar Rapids has 20,000 subscribers and a long waiting list.

Thanks John! John Little deserves a great big thank you from us all for his many years of service as editor of our bulletin.

Next Week Meeting: Special meeting at Kirkwood Community College. Iowa Hall, 3rd floor. For those not in a car pool there will be places to park. Lunch starts at 12 noon. We will be privileged to watch scenes from the fall musical - "Little Mary Sunshine." Our hosts will be our Circle K Club.

Program for November 4, 1981: Irv Mussman, assistant construction engineer for the Iowa Department of Transportation, was our speaker. His talk dwelt mostly with the progress on I 380. Time Schedule: Next month - open both ways to Coldstream; fall of '82 - thru Cedar Rapids and Hiawatha; fall of '83 - to Benton County; Waterloo by '86. Among other things discussed was the illegal use of the freeway - cross those baracades boys and Cedar Rapids finest will clip you for about \$26.

Happy Anniversary to Larry Fishwald, November 6, 1973.

Welcome Back Fran: Your music means a lot to us.

The Welfare Report: C. R. Fahrney is is St. Lukes with a viral infection. Bill Pohorsky was reportedly on his way to Rochester. Get well, Kiwanians!

Guests: Sam Brannian, Kirkwood Circle K Club, member (Wally Brown).

New Member: Jeff Berg, sponsored by Don (what's his name?). Welcome to Kiwanis Jeff!

Bowling Report by Charlie McIntyre. Team recorded 7 1/2 out of possible 8 points. Duane Kurrelmeyer bowled a 617 series.

Kiwanian of the Week: Jim Swain, an excellent speech Jim - lasted about 30 seconds. Have to question your judgement as to ambition! Of all people, Jim Oetken!

Program for November 18, 1981: Captain Bob Naughton, P.O.W. for six years during the Vietnam war, will share some of his experiences with us. Captain Naughton is currently stationed at the War College, Newport, Rhode Island. Bring a guest for this unusual opportunity.

Happy Anniversary to Bob Dye, November 10, 1971; and Jerry Banes, November 12, 1968.

The Welfare Report: Happy to report that C. R. Fahrney is out of the hospital and convalescing at home. There are also reports that Bill Pohorsky is up and around.

Bowling Report -none- what does this mean? The team is still looking for another bowler. Give Ed Colton a call if interested.

Guests: Dick Kemple from the Quad Cities area (Bob Dye), and Done White, Dean of Students at Kirkwood College.

Circle K Member, Present: Julie Urfer, President; Tammy Waknitz, Division II Lt. Gov.; Judy Lyons, Secretary; Kathy Knell, and Angie Turner, Sponsor. What a great group of people.

Circle K President, Julie Urfer, gave a brief report on the clubs activities. Get ready for contributions for the 2nd Annual Turkey Raffel men!

Kiwanian of the Week: Peter Knoll. Did you know that Peter spent his formative years in Germany?

November 11th Program: As advertised, we met at Kirkwood as the guests of our Circle K Club. Bob Adridge and Allen Koepke of the Kirkwood Staff talked enthusiastically about their theatre music program at the college. A new facility for theatre is now under construction. We were also treated to an amusing preview of "Little Mary Sunshine" to be presented on the campus on November 13, 14, 15. They'd like all of us to attend!

Thanks Wayne! Wayne Woods for making this meeting a success. Let's do it again next year. By the way, did we see John Little and Bob Armstrong slurping up the Creme de Menthe topping on the ice cream?

Please check your address and phone number for errors. Call Rapid Graphics at 366-2679 with corrections. Thank you!

Guests: Maury Breen (Don Aanestad), Frank Malone (Tom Herzog), Roland Naughton, Roberts father; Jack Scanlon, Roberts brother-in-law. From our Circle K Club: Sharolletta Foy, Alisa Walker, and Donna Prime.

Bowling Report: Ed Colton reported that they won six out of eight last time and have been doing real well lately. They still could use another bowler.

Wear your Kiwanian pens men - Yours truly was fined as were many others who didn't remember.

Kiwanian of the Week: Michael L. Stoffregen, originally from Sac City, IA, and more recently from the College of Business Administration, SUI spoke briefly. He indicated his hobby consisted of all spectator sports, with an emphasis on co-ed Sauna baths.

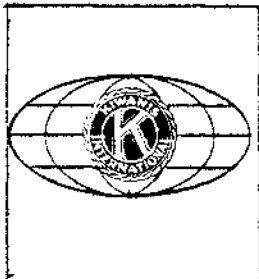

Good News fair weather Kiwanians. This year our bell ringing stint for the Salvation Army will be inside at Lindale Plaza. Everyone probably will sign up this year.

November 18th Program: Robert Naughton, Captain in the Navy and former POW in Vietnam was our guest. He gave us a lot of food for thought. Some of his observations:

1. Fear was always the prevailing emotion.
2. Learned that although one needs to be self-reliant, that we need each other for support and encouragement.
3. Importance of a sense of humor.
4. POWs took their Duty as a servicemen seriously. Most resisted cooperation with the enemy as best they could. Captain Naughton himself at one time sat on a stool for 14 days because he wouldn't sign a "Good Treatment" statement.
5. The importance of POWs being aware that their country isn't going to abandon them. The devastating effect that the Ramsay Clarks and Jane Fondas had on the POWs.
6. Importance of faith in God, yourself, and your country in sustaining him.

His observation of the change in attitudes of the American citizen after six years: The 'Me First' Attitude and all sorts of groups demanding their rights without a thought to their responsibilities. Thanks a bunch Guy Ames for bringing Captain Naughton to us.

Happy Week-(end) after Thanksgiving!

Hope everyone has recovered and repented (Protestant Term) from over-indulging in food, drink, and parade-watching (Television term)...

Program for December 2: A special guest from the University of Iowa Athletic Department...based on Rose Bowl plans, could be an exciting program...

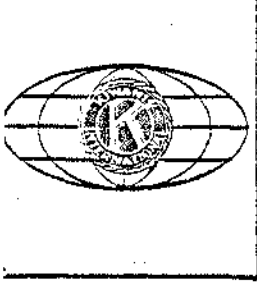

Last Week's Activity:

- 1) Birthday: Charlie McIntyre celebrated his earth-entry (astronaut term) on Nov. 27. He's still feeling his oats... ("Quaker" Term).
- 2) Welfare: C.R. Fahrney is slowly improving and working part time...for this, we & C.R. have reason to be thankful.
- 3) Anniversary: Tom Heabel, lumber magnet, joined Kiwanis on Nov. 23, 1972...it was noted that he was younger and harrier then. (So who wasn't?)
- 4) Guests:
 - a) Tom Hedges and Tim Byers, sons-in-law of Del Block.
 - b) Leonard Santon & Jesse Hunter, of Metro Kiwanis.
 - c) Dave Raker, of KCRG-TV Channel 9, ABC for Eastern Iowa & Cedar Rapids only locally-owned television station, which features Doug Krile, Tom Daniels, Dennis Frary & John Campbell on the award-winning Channel 9 Eyewitness News at 6 & 10, guest of Jim Oetken. (Note: Objective reporting by guest editor.)
 - d) Frank Malone of Computerland, guest of Tom Herzog, and prospective new member (good choice, Frank!)
- 5) Salvation Army bell-ringing by Kiwanis will be at Lindale Plaza-near Bishop's and near Sear's - on Fri., Dec. 11... Lots of people signed up, & the activity will be chaired and coordinated by Rex Schrader (Chrm.) and Dick McConnell (Co-Chrm.) Thanks, guys, for your cooperation...you'll enjoy helping...
- 6) Bowling Report: Our team won 6 out of 8...hope we're not spoiled by success...Is our team really called the "Three-holers?"
- 7) November 25 Program: Mike Gebauer, Manager of the 5 Seasons Center...has been in C.R. about 5 years. Mike said we've had 550 events in the center, and have averaged 180-200 event days per year. Last year the Center had 16 rock concerts, which made up less than 10% of the events held, but accounted for 99% of the publicity. He says the 5 Seasons Center is one of the top 10 in the U.S. (Why not?)

Program for December 16th: BUMP ELLIOT and/or GARY KURRELMAYER of the SUI Athletic Department will be with us. This could be a great prospecting meeting. Everyone try to bring at least one guest to this meeting. Let's get our club on the move! Wayne Mead says GO HAWKS! Wear your Hawkeye colors next Wednesday.

December 7th program: We had a full house for this one. Many spouses attended and along with the members were treated to a musical program by 'Coelage', a Coe College musical group. They did a great job. The food even seemed better than usual--maybe we should invite our wives more often.

Julie Ulfers, Kirkwood's Circle K president was with us and in her shy innocent way sold turkey raffle tickets, the proceeds targeted for the club's 'Food Basket' Christmas project. Keep up the good work, Julie!

Welfare: C.R. Fahrney still improving. All other Kiwanians are reportedly going strong.

Birthday: Jim Swain modestly accepted birthday congratulations. He was born on December 6th.

Induction of New Members: Welcome Jeff Berg, sponsored by Don Alphabet. Also welcome Al Beach, sponsored by Jim Oetken. Ed Colton presided at the induction and read the 'Objects of Kiwanis International'. Here are the six 'Objects' let's not forget our purpose for existence.

THE OBJECTS OF KIWANIS INTERNATIONAL

- To give primacy to the human and spiritual, rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher moral, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.

For example: 95 football players, 309 band members, many Pom Pom & Cheerleaders, managers & trainers, coaches & their families, administrative personel & their families, and the wife of the only married football player make up Iowa's entourage to Pasadena.

BULLETIN

No speaker - We will have a roundtable meeting for attendance at the regular time and place. Mike Stoffregen will be "in charge" while Honest Don is out smelling the roses.

Our speaker Bruce Larson shared some insight into ways to reduce taxes - specifically as related to the new tax laws. His number one advice was to put off income to 1982 if at all possible. Also, keep good records. A really fine and informative program. As "Honest" said, "Few people can make taxes interesting."

GUESTS AND VISITORS

Sheri and Mike Little were guests of John Little. Max Sauerbry visited from the Golden "K" Club in King City, Oregon. He was here visiting his daughter - but is an ISU graduate.

Wayne Woods was Kiwanian of the week. Here are his one-liners that he was unable to say. All are from Will Rogers.

Lord, the money we do spend on Government and it's not one bit better than the government we got for one-third the money 20 years ago.

If all politicians fished instead of spoke publically, we would be at peace with the world.

Once a man holds a public office, he is absolutely no good for honest work.

I don't belong to an organized political party, I'm a Democrat.

To the Senate and House, a Merry Xmas. May the literacy test never be applied to your constituents.

----- MERRY CHRISTMAS EVERYONE!-----

WEEKLY
NEWS
BULLETIN

December 30, 1981
Editor: Ed Capesius

December 30th Meeting: Wayne Mead reports that 18 Kiwanians, loyal & true, had lunch together. There was no formal meeting due to the absence from the city of many Hawkeye fans.

Next Week's Meeting: January 6, 1982. Special speaker - TOM TAUKE, our 2nd District Congressman, will be the speaker. Let's see what Tom has to say about 'Reaganomics'.

It's That Time of Year when we traditionally set goals for the coming year. Why not include a Kiwanis goal or two as you formulate yours for 1982? Here are a few suggestions:

1. Improved attendance at our regular meetings.
2. Sponsor at least one new Kiwanian. We could double in 1982!
3. Suggest a speaker for a program.
4. Take a K Club member to lunch.

You can think of many others.

A Thought As We Begin a New Year:

WE ARE BLIND, UNTIL WE SEE
THAT, IN THE HUMAN PLAN,
NOTHING IS WORTH THE BUILDING IF
IT DOES NOT BUILD THE MAN.

WHY BUILD THESE CITIES GLORIOUS
IF MAN UNBUILDED GOES?
IN VAIN WE BUILD THE WORLD, UNLESS
THE BUILDER ALSO GROWS.

Edwin Markham

HAPPY 1982 KIWANIANS! Hope to see you all on January 6th
